WELCOME

It is my pleasure, on behalf of England Golf, to extend a very warm welcome to the Spanish team and their officials for the Seve Ballesteros Trophy match at Formby Golf Club.

We are delighted to be able to play on this historic and testing links course, which has seen many similarly prestigious events, and thank the Captain and members for hosting this competition. We look forward to watching some magnificent golf played in the fine traditions of the game and hope that new friendships will be forged between players, officials and spectators.

May the best team win!

Jenny Clink
President, England Golf

I am delighted to welcome the best amateur golfers in England and Spain to Formby for the biennial match for the Seve Ballesteros Trophy. I would also like to extend a very warm welcome to visiting officials and supporters from both countries.

Formby Golf Club has a long history of supporting amateur golf at the elite level. We were privileged to hold the Curtis Cup in 2004 and have hosted the British Amateur Championship four times. Past winners of the Amateur at Formby include Jose Maria Olazabal and Matteo Manassero. In addition, we have held the English Amateur Championship on several occasions, most recently last year when Thomas Thurloway prevailed over Joe Long in a high-quality final.

I would like to thank the Championship Committee and members of Formby, along with members of Formby Ladies Golf Club, for helping with preparations and for assisting in running this mixed international event.

I am sure that both teams will enjoy our links. We are proud of our unique combination of mature sand dunes and pinewoods along with well protected greens, undulating fairways and challenging tee shots. I am looking forward to some excellent golf from both sides and hope that many long-lasting friendships will be made during the coming days.
